## **PARKING AT THE BYU LAW SCHOOL**

The east-facing side of the Law School looks like this:

There is a visitor parking lot just south of the Law School, this is the best place for you to park.

## **FINDING COFFEE IN PROVO: AN EXERCISE IN FUTILITY?**

BYU is affiliated with The Church of Jesus Christ of Latter-day Saints and members of the Church do not smoke or drink alcohol, coffee, or (non-herbal) tea. As a result, smoking is not permitted on campus, the University does not reimburse alcohol expenses, and there is no place on campus to purchase coffee or tea. There is a Starbucks in the Provo Marriott and you are welcome to bring coffee or tea with you. We typically have caffeinated sodas on hand as well. If the absence of coffee or tea throughout the day will be a problem for you, please let me know so that we can make arrangements. We do not want to cause you distress!
